

Daisy 02 Fusion

All information correct as of 8 Feb 2024.

What is Daisy Fusion?

Daisy Fusion offers you the freedom of both single user and shared allowance business tariffs to meet all your needs under one simple and easy to understand tariff. All tariffs include a set allowance of inclusive minutes, texts and data that can be used anywhere within Daisy's roaming footprint and is exclusively available on 02.

Unlimited usage is subject to an artificially inflated traffic fair usage policy. Data roaming on Unlimited plans is capped at 25GB per billing month in Travel Free and Travel Plus destinations. If you breach this limit while abroad, you will be charged an additional £2.05 per GB for data usage until your monthly allowance renews. Inclusive standard allowances are available in the UK and selected roaming destinations in line with qualifying tariffs and daily roaming services.

TravelFree Destinations

TravelFree is our enhanced version of this standard legislation, not only giving you access to UK bundles and rates within the listed EU Zone 1 destinations, but also covering destinations further afield. This allows end users to utilise their home tariff package in a number of destinations worldwide with no daily fees or monthly cost uplifts.

Destinations covered by TravelFree are split into two bands. Band A offers access to standard UK allowances (UK rates apply when out of bundle). Band B gives users the same access to bundles as Band A does, but roaming rates apply when out of bundle.

Band A - EU Zone 1

Austria, Belgium, Bulgaria, Canary Islands, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, French Territories, Germany, Gibraltar, Greece, Hungary, Iceland, Ireland, Italy (including Vatican City), Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, Netherlands, Norway, Poland, Portugal (including Madeira), Romania, Slovakia, Slovenia, Spain (including Balearic Islands), Sweden.

Band B - EU Zone 2

Channel Islands (including Guernsey, Jersey), Isle of Man, Faroe Islands, San Marino, Turkey, Switzerland.

Band B - Worldwide

TravelPlus Destinations

TravelPlus is an alternative to World Travel Select (WTS), available on Daisy Fusion tariffs and is aligned directly with TravelFree. Like WTS, it offers an alternative to pence per minute rates in the form of an opt-in daily roaming rate of £5 excluding VAT per day and will allow users full access to their UK bundles and allowances while roaming in a selection of worldwide destinations.

This must be opted into at point of sale and specifically covers data usage, SMS and calls in country and/or back to the UK within the below listed countries.
