

SAMSUNG

Galaxy S25 Series

Reclaim your focus

**Discover the super-powered AI phone
—here to help businesses reclaim focus.**

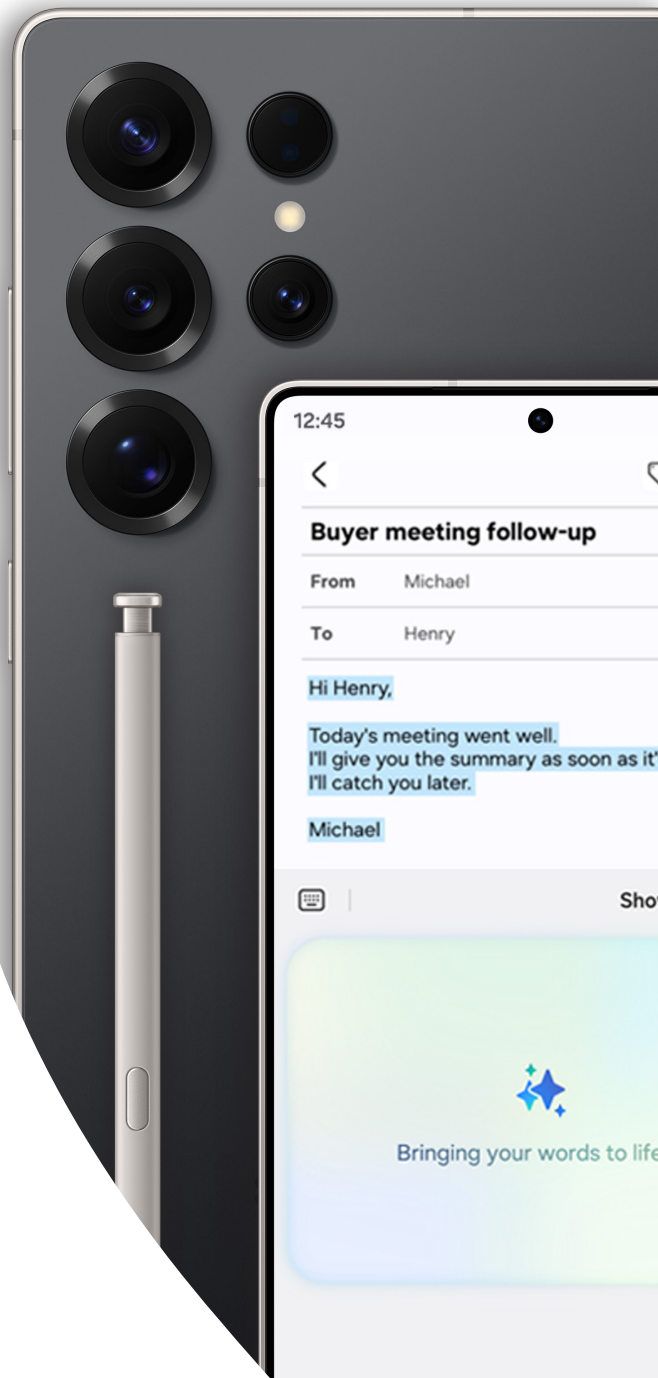

Empower your people to take control of their workday with the Samsung Galaxy S25 Series. Cutting-edge conversational AI puts you and your team back in the driver's seat, saving you time and energy to focus on the big picture while Galaxy AI¹ handles the rest.

The Galaxy S25 Series seamlessly integrates the power of AI, turning smartphones into true productivity partners. These devices don't just help future proof businesses—they could help transform how we all approach work.

And when you need thorough answers fast, you can rely on the Galaxy S25 Series' advanced conversational search capabilities to find just what you're looking for. You can also find out more about anything you see on your screen with Multimodal Search and have the device solve those problems that are stumping you in real life. From equations to instructions, just snap a photo and the device can work through each step automatically and with easy-to-understand guidance.

Let the Galaxy S25 Series handle the everyday, so you can dedicate your energy to driving growth, building relationships and innovating.

**Enhance your focus and unlock your full potential
with the new Samsung Galaxy S25 Series for business,
powered by Galaxy AI.**

1. Samsung account login is required for certain AI features.

Your most useful apps, made better together

Your wish is Galaxy S25 Series' command. Achieve more, faster than ever, with just a voice or text prompt.

Make light work of complex tasks with one simple voice command or text prompt. The Galaxy S25 Series can complete multiple actions in a row to help you get everyday jobs done and remain focused on the big picture. Simply press down the side button to activate and your device will complete seamless actions across apps² to find relevant information and send it where it needs to go. It can even summarise YouTube videos and save it as text in Samsung notes. Now that's efficiency.

Never miss a detail again

Walk and talk with confidence, knowing you won't miss a detail from your calls.

Take your conversations on the go while remaining focused on the details. Your Galaxy S25 Series can record, summarise, transcribe and translate key information from your business calls. And with an intuitive key word search, you can refer back to key topics whenever you need. Misheard a date? Not sure what they meant a few minutes ago? Just check with Call Transcript & Recording.

You're always in control

Take full advantage of Galaxy AI without worrying about losing control of your data.

Stay in control of your data and fully focused on your goals. The Galaxy S25 Series' impressive AI tools can be processed on the device itself, meaning that even companies with strict data policies and compliance requirements could benefit.

Manage a whole fleet of AI devices

Deliver AI power to everyone in your team without exposing your business.

Give everyone on your team a personal productivity partner, while ensuring they're never used for the wrong purpose. You can now fine-tune AI options via mobile device management—toggling cloud-based AI processing on or off remotely for a single device or a whole fleet. IT managers can easily limit or block access to certain cloud features through the Knox AI Plug-in, across the entire device fleet. Experience AI-powered productivity in total privacy.

2. Compatible with select languages only. Google account login required. Requires network connection. Availability of search functions and its supported apps may vary by country, language and device.

SAMSUNG

Galaxy S25 Ultra

Technical Specifications

Display:

- 6.9" Dynamic AMOLED 2X
- QHD+ (3120 x 1440)
- 1-120Hz
- S Pen support
- 2000 nits

Memory + Storage:

- Memory: 12 GB
- Storage: 256/512 GB, 1 TB
- Micro SD: N/A

Additional Features:

- Ultrasonic Fingerprint
- Samsung Knox
- Wi-Fi 7
- Bluetooth 5.3
- UWB (Ultra Wide Band)
- Samsung Pay⁶ (NFC)

Galaxy AI:

- Live Translate⁷
- Interpreter⁸
- Writing Assist⁹
- Call Transcript & Recording
- Note Assist¹⁰
- Transcript Assist¹⁰
- Now Bar and Now Brief¹¹

Battery:

- 5,000 mAh³
- 45W Super Fast Charging 2.0⁴
- Fast Wireless Charging 2.0⁵
- Wireless PowerShare

Processor:

- Snapdragon 8 Elite for Galaxy (3 nm)

Audio:

- Stereo Speakers
- Dolby Atmos

Design:

- 77.6 x 162.8 x 8.2mm,
- 218g
- Titanium Frame
- Corning[®] Gorilla[®] Armor2 (Front)

Camera:

- **Ultra Wide:** 50 MP F1.9 FOV 120°, 0.7µm
- **Wide:** 200 MP F1.7 FOV 85°, 0.6 µm Adaptive Pixel Optical Quality 2x
- **Tele 1:** 50 MP F3.4 FOV 22°, 0.7µm 5x Optical Zoom Optical Quality 10x
- **Tele 2:** 10 MP F2.4 FOV 36°, 1.12µm 3x Optical Zoom
- **Front Camera:** 12 MP F2.2 FOV 80°, 1.12µm
